

SATURDAY, December 12th is:

THE HOLIDAY ARTISTS' MARKET

Sponsored by the Community Arts Partnership of Tompkins County

Buy local and original art for the holidays

Date/Time: Saturday, December 12th, 11:00pm - 5:00pm.

Location: Women's Community Bldg, (Corner of Cayuga & Seneca Streets, downtown Ithaca, a block from the Commons)

As the holiday season draws near, folks from far and near love to make their annual visit to the **HOLIDAY ARTISTS' MARKET**, a juried show and sale of original fine art work at the Women's Community Building, 11am to 5pm on Saturday, December 12th.

The Market features 25 local fine artists (sculptors, photographers, printmakers and painters), all from Tompkins County, offering an array of original works at reasonable prices. Choose from watercolors, oils, acrylics, color and black & white photographs, digital photographs, lithographs, etchings, collage and sculpture all while listening to the sounds of The East Hill Jazz Duo featuring Johnny Russo on piano and horn and Doug Robinson on guitar.

*"This show is a unique opportunity. Not only will the visitor see high quality original work, they will also have an opportunity to meet the artists. Meeting the person who created the art, and talking to them about their technique and ideas adds a wonderful dimension to an art purchase. **We hope visitors buy original art for their holiday gifts!**" (Robin Schwartz, Program Director of the Community Arts Partnership)".*

Whether you are an art collector, admirer of fine art, tourist, fellow artist, or someone who is HOLIDAY SHOPPING, this is an ideal Saturday excursion that is too good to miss!

This show is sponsored and organized by the Community Arts Partnership, Tompkins County's Arts Council.
